

Dear Camp Parents,

This summer, Camp Ramah in Wisconsin has chosen to work with **CampMeds Inc** to dispense and pre-package all of your child's medicine in **pill form** for camp. This policy for administering medications **requires** camp families are to register for the service of **CampMeds** for **all prescription and non-prescription pills (including vitamins) that your child takes on a daily or as needed basis**. These meds will be dispensed by our pharmacy and individually packaged, sealed and sorted according to day and time of administration. The packets will be labeled with your child's name, medicine, dosage, date and time to be given. Prescriptions that are not in pill form (liquids, inhalers, etc), can be dispensed as well. Our system ensures that each camper receives their correct medicine at the correct time. All meds will be shipped to camp prior to your child's arrival.

What you need to do: Register on www.CampMeds.com (you can register prior to obtaining prescriptions)

1. Note your order number you will receive when registered. Print out receipt from registration.
2. Obtain original prescriptions **written for 30 day increments**. Write order number on top corner of each prescription. ***Do not send us the medication, only the written prescriptions.**
3. If your child is staying over 30 days, prescriptions must be written with refills. Unused meds will be sent home from camp
4. **For Controlled Substances:** If your child is staying longer than 30 days, law requires a new prescription to be written for each 30 day supply. No refills and only 30 days worth of meds should be written on the prescription. **Two separate 30 day prescriptions are required**. Send all prescriptions together.
5. Prescriptions are filled as written. It is your responsibility to confirm all prescriptions are written exactly how (daily or as needed) and when your child takes the medication. Please refer to the FAQ's for details.
